ADVERTISING CONTRACT AND CONDITIONS

Upon authorization of an advertising contract and/or provided insertion order, the advertiser and/or advertising agency agree to the following terms:

1. An advertising contract must be signed by all advertisers. Advertising agency insertion orders are accepted, subject to these terms and the provisions of the current Discover America - USA Travel Guide rate card.
2. All advertising is subject to the approval of Small World Publications.
3. Cancellations may not be made by the advertiser or its agency after the closing deadline. Any cancellations or changes must be in writing. Small World Publications reserves the right to run the most recent advertisement when no new copy is furnished by the space deadline or to charge the advertiser for the unused space if materials are not submitted.
4. Advertisers and advertising agencies assume full responsibility and liability for all content of advertising printed and also assume liability for any claims arising therefrom.
5. Advertisers and advertising agencies shall indemnify and hold harmless Small World Publications and its shareholders, directors, agents, employees, vendors and assigns from any and all liability, suits, causes of action, claims, attorneys' fees and damages of any kind, including without limitation any suit by any advertiser or advertising agency against Small World Publications, arising out of the content of any advertising material(s) and/or editorial copy used by Small World Publications.
6. In the event of an error by Small World Publications, the maximum liability is limited to the space cost of the display advertisement as per the Advertising Insertion Order.
7. Small World Publications shall not be liable for errors in proofs approved by advertisers.
8. Small World Publications shall not be liable for any costs or damages if for any reason Small World Publications fails to publish an advertisement.
9. Small World Publications shall not be subject to any liability whatsoever for any failure to publish or circulate all or any part of the publication because of strikes, work stoppages, accidents, fires, acts of God or any other circumstances not within the control of Small World Publications.
10. Positioning of advertisements is at Small World Publications' discretion unless a guaranteed position premium is paid.
11. Advertising production services are not included in the advertising space cost.
12. Advertising material will be held until publication of the following year's guide and then discarded unless otherwise notified in writing by advertiser and/or advertising agency. Please include a self-addressed, stamped envelope for return of disks and other advertising materials.
13. For display advertising placed in the Discover America - USA Travel Guide, 50% or more of the net amount is due with signed advertising contract and/or insertion order. All balances are due upon publication. On any balance due, an interest charge of 1.5% per month will be added, after the 28th day of the month designated on the invoice, on past due amounts. There will be a \$50 charge for any returned check.
14. If for any reason credit has been extended to an advertiser and/or agency, a completed credit application should be furnished along with the approved insertion order or contract. If for any reason the account is placed in collection, a 20% collection charge will be added to the outstanding balance for space and finance charges due on the account.
15. The advertiser and/or agency promises to pay all costs in the collection of overdue amounts whether or not litigation is commenced. If litigation is commenced, advertiser and/or agency promises to pay such additional sums as the court may judge to be reasonable as attorneys' fees and court costs.
16. Small World Publications will not be bound by any condition appearing on order blanks or copy instructions submitted by or on behalf of the advertiser when such conditions conflict with any provision contained in Small World Publications's rate card or with its policies.
17. Small World Publications reserves the right to decline or reject any advertisement for any reason at any time without liability even though previously acknowledged or accepted.
18. Reproduction quality is at the advertiser's risk if Small World Publications' specifications are not met or if material is received after closing date, even if on extension. All queries concerning printed reproduction must be submitted to Small World Publications within 45 days of publication.
19. Agency commission: 15% to recognized agencies. Net due 30 days from invoice date. Interest will be charged at rate of 1.5% per month on past-due invoices.
20. All agencies or direct advertisers must supply Small World Publications with a legal street address and not only a post office box.
21. All issues related to advertising will be governed by the laws of the State of Washington applicable to contracts to be performed entirely therein. Any action brought by advertiser and/or its agency should there be one, against Small World Publications relating to advertising must be brought in the state or federal courts of Washington and the parties hereby consent to the jurisdiction of such courts.
